

Cage Free Boarding / Grooming Release

Please read and sign our waiver permitting your dog to have supervised, cage-free play with other dogs, while being boarded or groomed in our facility.

I understand that every dog reacts differently and that animals, by nature, can be unpredictable during play. Some dogs may bite or cause other injury to other dogs without warning or reason. In this case, University Animal Hospital, at our discretion, reserves the right to crate or cage dogs that are behaving in a non-socialized way.

I, the owner or agent responsible for Pet Name , shall indemnify and defend University Animal Hospital and their owners, officers, employees, and agents and hold each of them harmless from any claim, demands, causes of actions or damages, including reasonable attorney's fees, arising out of any action, damage, or injury that occurs to my pet while in the care of University Animal Hospital. I acknowledge and understand that there are certain risks involved in day care and grooming, including but not limited to dog fights and/or injury during play. I authorize University Animal Hospital to treat my pet for any injury or illness as a result of cage free play. By signing below, I accept exclusive and sole responsibility, financial or otherwise, for these and all other risks and release University Animal Hospital and related parties of all liability.
